Treasurer's report
Nigel Hilliard (Treasurer) advised members that the club bank account has a balance which opened the year at £2,433.57and had grown to £2,975.

Main expenditure was on the fun race food, medals (which were for a few years). Nigel noted that Lloyds had started charging bank fees, and proposed opening an interest bearing account, to offset the bank charges. This was approved.

Nigel also noted that in 2025-26, Bowles Ski racing club would not be required to pay an affiliation fee to Snowsport England, but rather individual members would be required to enroll as members to Snowsport England. As a result, Bowles membership fees were to be reduced, with the first member from a family to be charged £20 and each subsequent member to be charged £16. This was approved by members.

Membership

As was noted in the Treasurer's report, Snowsport England required individuals to become members of Snowsport England, as opposed to Bowles ski racing club paying an annual affiliation fee. It was noted that for various levels of competition (e.g. LSERSA, club Nationals or snow racing) different levels of membership were required. Members are referred to the Snowsport England website for further information.

Election or re-election of Club Officers

President - John Makonnen remains in post
Chairman – Tom Wontner standing down. James Currie standing for election
Treasurer – Nigel Hilliard standing for re-election
Child Welfare – Jenni Watts standing for re-election
Club Secretary – James Currie standing down. Steve Nelson standing for election
Athletes' Rep – Stella Pople standing down, Charlotte Currie standing for election

James Currie noted that no other candidates had been nominated and checked that now other members wish to stand for the vacant positions. No other members wished to stand, and thereafter members confirmed election of the above members. James thanks Tom and Stella for their work with the club.

AOB

Tom suggested the idea of a ski event in support of Children in need, which would be along the lines of covering the distance of skiing Mount Everest, as had recently been completed. He said that Ben Wontner would be happy to organize. Members agreed that this would be a good idea to explore.
